About Us: Florida Citizens Alliance (FLCA) champions K-12 education reform in Florida. As a 501-C3 nonprofit, FLCA's mission is to improve Florida's K-12 education by uniting and empowering teachers, students, and parents. The Microschool Initiative encourages Christian churches and families in Florida to adopt a God-centered approach to education and explore public school alternatives. You will leverage your experience and passion for alternative education to mentor and advise your clients, ensuring they meet their goals and their microschools are set up for long-term success.

Key Responsibilities:

- **Consulting and Mentorship:** Provide advice and guidance to clients (microschool founders) based on your experience, and your ability to research and problem-solve. Help them navigate the challenges of starting and running their non-traditional learning environment.
- **Schoolbox Course Completion Support:** Work with clients as they complete SchoolBox courses, ensuring they stay on track and meet their objectives.
- **Regular Meetings:** Conduct a minimum of 8 meetings with each client (2 hours per SchoolBox course), focusing on course content and other relevant topics. Attend a bi-weekly internal team meeting remotely.
- **Timely Communication:** Maintain clear and timely communication with clients to address their needs and concerns. Present bi-weekly status updates for your region at the bi-weekly team meeting.
- **Community Engagement:** Build strong relationships within the community, heavily focusing on churches, to foster support for microschools and the broader goals of the Florida Citizen's Alliance.

Ambassador Expectations:

- Communicate clearly and promptly with clients.
- Be available to meet with clients after each course completion.
- Provide advice and guidance based on personal experience in education.
